Missy,
"We did it"
and it was fun &
guess-well atleast the week-
ends were great! Mrs.
Wolford's class was unbearable
but fun. and I hope you do really
good in cheerleading and be good and so
if you can't be good be careful and so
or call me if you wish to hit
O.K-fine. Have a good one
Love ya Sandy

Missy, my love,

Let me count the ways I love you. 1, 2, 3, 4, 5, it could go on forever, but you never notice me, little old Todd. I am very crazy about you. I have had a mad crush on you for 2 years. I have always dreamed of me and you together, for always. It has been one of my biggest desires in life, and I hope one day it will be fulfilled. You are the most especialest girl in the world. You are the sweetest and hottest looking girl alive. I wish we could go out, but Paul would find out and he might threaten me. I fear him. Maybe we could have an affair! If ever you want me my phone # is 777-1961, don't be afraid to call, I will be right over. Remember this one thing, I love you very much. I always ~~will~~ will. I want you very badly.

P.S. I love you!! Love "83"

Todd Hopson

Missy,

I love you and hope we can be better friends. You are my sweetheart and I'll always love you. I know you love you me too. We could be the greatest couple in the state. I dream about you always and I know you dream about me, because I am the "Special K", I know everything. You are a very special girl but I can't go out with you because Todd would find out! You really are a nice girl and I hope you have fun in all you do. Have a fun summer and a great senior year. Stay out of trouble, good luck in all you do and I see you this summer.

Love, Paul "Special K" Kvasy

P.S. I LOVE YOU!

# Student Government

*Student government is one of the most important of school organizations. Students from all grades participate. They help organize most of the activities in school. There are four divisions of student government; The House of Representatives is made up of students elected by their homeroom to represent and act as spokesmen for their class. The Senators are elected by students of their grade to plan important events such as Homecoming and Prom. The Inner Club Council (ICC) sets up the calendar for activities. The Executive Board, consisting of student officers, class officers, and the Chairman of Senate, is a group of students with an exceptional ability for organizing group events.*

## WHAT IS KEY CLUB?

Key Club is a service organization for high school students. It is unique for it is sponsored by a local Kiwanis club composed of the leading business and professional men of the community. The clubs aims are the development of initiative, leadership ability, and good citizenship practices. These qualities are encouraged by all members accepting responsibilities in the administration and activities of the club. Not only does the club provide the school with many services which make it a more pleasant place for students and teachers alike, but it goes into the community as well, to undertake various projects for the benefit of the entire community. It provides a chance to use all of your talents constructively in building a better community.

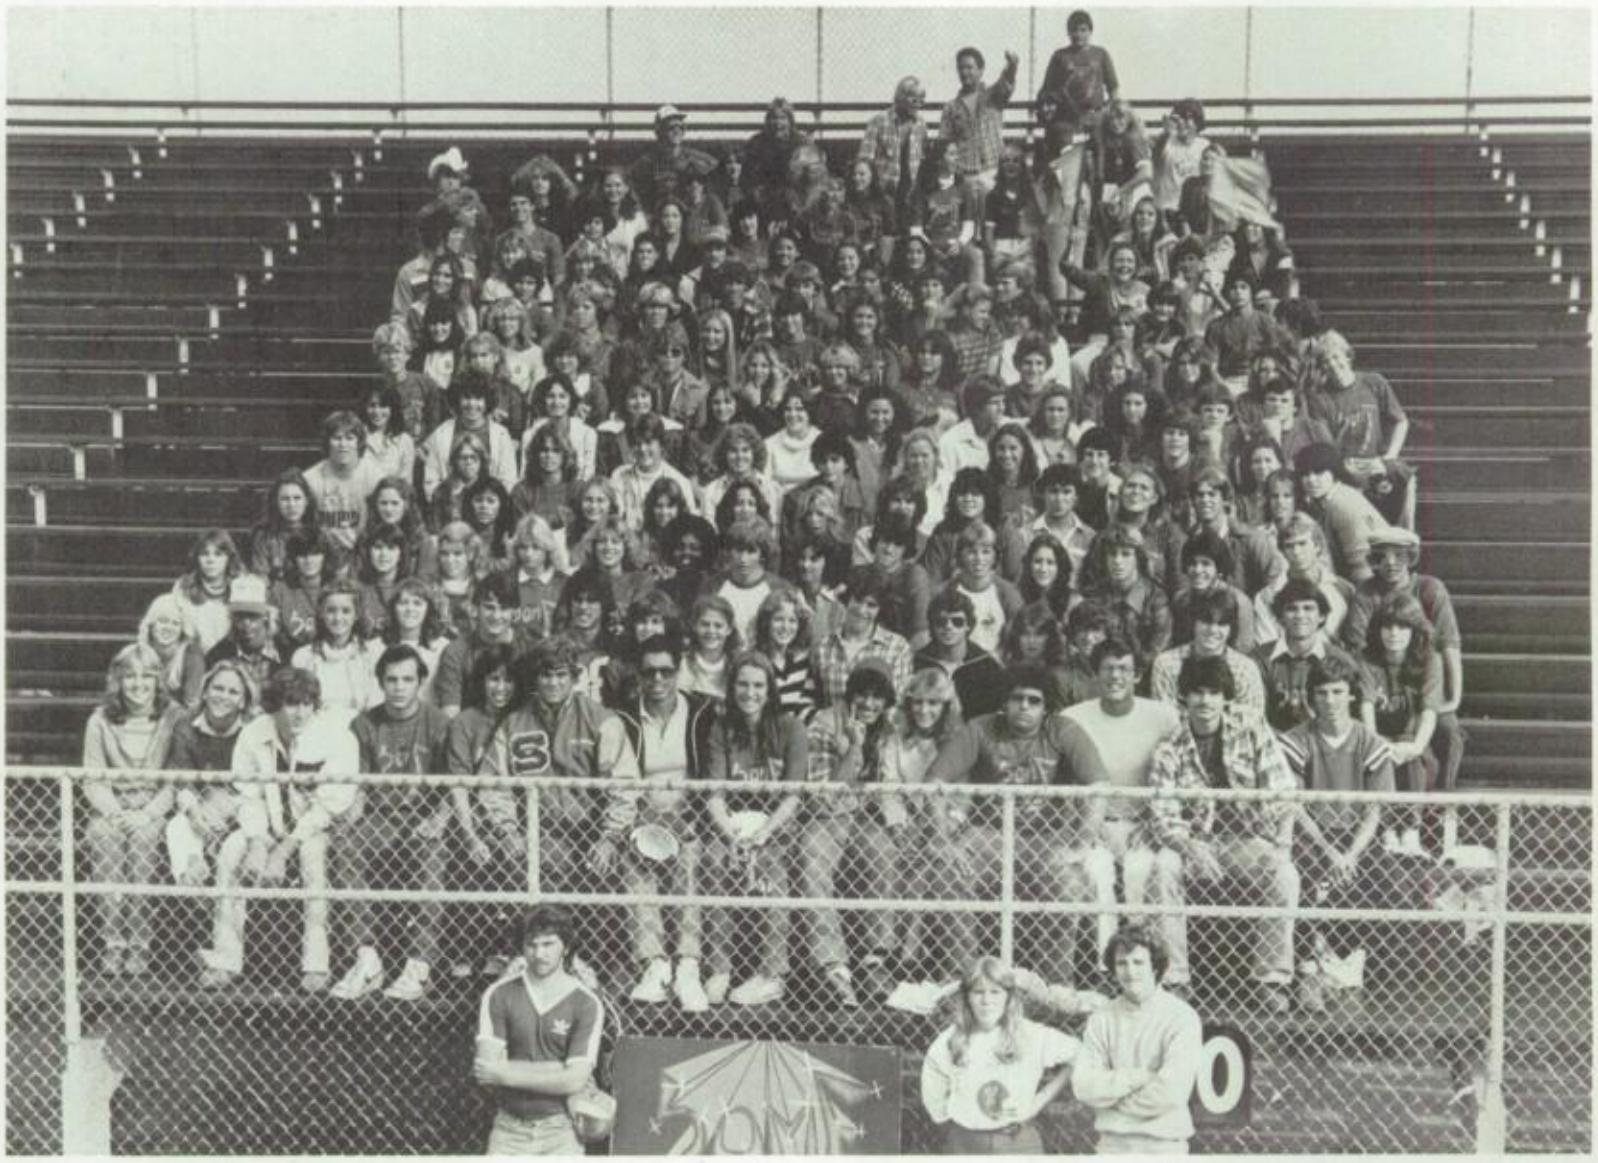
# S.O.M.F.



*The most popular club at Satellite this year was a newly formed spirit club called S.O.M.F. (So Much Fun). The huge number of students in S.O.M.F. attended all football games. They raised money for these by cleaning the football field after games, and by selling S.O.M.F. T-shirts.*

*This club has really boosted the morale of the teams by making colorful posters and by helping the cheerleaders rowdy up the crowd. Word has it that 1980-81 is the most spirited year ever thanks to the S.O.M.F. club!*

*Greg Roth sports this year's latest style — the official S.O.M.F. T-shirt.*

*It looks like the rain hasn't put a damper on the enthusiasm of football fans; Sam Dolson, George McGowan, and Jeff Keen.*

FHA/HERO stands for Future Homemakers of America and Home Economic Related Occupations. This is a club of students here at Satellite that work together to learn about home related careers. To be a member of this club one must have taken Home Economic at Satellite High.

# Ecology Club

The S.H.S. Ecology Club is a group of students concerned about the earth and all which lives on it. Throughout the years this club has held car washes to meet the expenses for a trip in February to the Everglades. At the end of the year these students will attend a state wide convention. Ecology Club is a worthwhile organization.

Members of the D.C.T.

We have two work programs here at Satellite High School. In these classes students learn how to dress, act, and speak properly before going for a job interview.

The D.C.T. students leave school to go to their job at noon, and the D.E. leave school at 10:30. The program is very helpful to prepare the students for later life.

*Y.F.C. is one of S.H.S. most active clubs. These students, along with their sponsor, Mr. Stafford, have gotten involved in a lot of great activities. Some of the items on their 1980-81 agenda are: the annual Rocking Chair Marathon and the yearly blood drive which they sponsor. S.H.S. blood drive usually collects the most blood out of all the high schools in the area. Many Satellite students find it rewarding to give blood to help others. Some other activities that this club has participated in are: car washes and bake sales to help raise funds. Youth For Christ is a worthwile organization, becoming quite popular here at Satellite.*

## SCORPS ANTICIPATE TITLE

After a dismal 4-6 season in 1979, the Scorps returned 10 starters and had hopes of a possible district title. Under the supervision of Head Coach Frank Guertin, a devastating running attack was established. With a backfield of Ray Schneider, Dee Merrix, and Pat Zajac, the Scorps combined smarts, speed, and hard-nose running to eat up yardage. The defense improved vastly over last year by shutting out three teams and allowing only 11 points per game average. Danny Hernandez and Steve Colby led the "Red Crush". Going into the first game versus Martin County, the Scorps were out to prove themselves.

## SCORPS LOOKIN' GOOD

Kicking off the '80-'81 season, the Scorpions faced the Martin County Tigers in Satellite Stadium. The Scorps took the opening kick-off and drove 80 yards for a score. Dee Merrix, on a one yard blast, carried the ball for the TD. Wally Wallace booted the extra point and the Scorps took a 7-0 lead at half. Pat Zajac and Tony McNichols both scored second half touchdowns and Wallace added a field goal as the Scorpions shut out the Tigers.

Number one ranked Merritt Island Mustangs proved to be too much for the Scorps. Satellite was offensively dormant and the defense could not stop the Mustang running game. A 26-0 loss put a damper on district hopes, but being 4-0 for the next four games the Scorps were back in the running.

The winning streak started at Fort Pierce. In the rain and mud, the Scorps dominated the Cobras. On the first offensive play from scrimmage, Mark Fuller, David Hubbard, and Tony McNichols opened a gaping hole for tailback Dee Merrix. Merrix sprinted 99 yards, outrunning the Cobra secondary for the first TD. An option pass from Steve Sottak to Tony McNichols accounted for the only other score for the Scorps. The final score was 14-12.

Travelling to play the Palm Bay Pirates, the Scorps chalked up their second consecutive victory. Dee Merrix ran for 289 yards and 4 touchdowns as the Scorpions destroyed the Pirates 26-14.

The Eau Gallie Commodores proved to be no match for the streaking Scorps. The defense, led by Danny Hernandez, shut down any offensive attack by the Commodores. The offense continued to put points on the board as the Scorps keep rolling. The final score was 27-0. As the Scorpions travelled to Melbourne, the defense continued to crush their opponents as they recorded their third shut-out. Ken Bookhardt and Jimmy Gant led the defensive unit. Ray Schneider engineered the offense once again as the Scorps whipped up on the mangy Bulldogs, 31-0.

After a loss to Vero Beach, the Cocoa Tigers came to the Scorpion Pit. Being state ranked did not help the Tigers as the Scorps romped 21-14. Homecoming was sweet for Satellite as Steve Miller, Dee Merrix, and Pat Zajac all scored touchdowns.

For their final contest of the season, the Scorps travelled to Sarasota. After a four hour bus ride and realization that Vero had already clinched the district title, the Scorps fell victim to the Sailors 14-20. The Scorpions ended the season 6-3.

VERO BOMBS SCORPS

Coming off a 31-0 whipping of Melbourne's Bulldogs, the Scorps travelled to Vero Beach. A victory would put the Scorps in a three-way tie for the District 10 championship. Steve Miller took the opening kick-off and returned the ball to the 29 yard line. Quarterback Ray Schneider then engineered a 71 yard drive capped off by a 43 yard scamper by fullback Pat Zajac. Vero's Indians responded and the score was tied at seven at the half. After a scoreless third quarter, Vero kicked a 34 yard field goal. With the clock winding down, the Scorps took the kick-off and drove the length of the field. Runningback Dee Merrix then took a handoff and sprinted around right end into the end zone. With the score 14-10 and 2:22 remaining on the clock, Billy Wilson caught a Vero Beach bomb for 71 yards and a score as the hopes for the Scorps' District Championship faded.

# Scorps Drop Opener

In the first match of the season, the Scorpions travelled to Eau Gallie. Jumping out to an early lead, things were looking up for the inexperienced grapplers. The Scorps recorded pins in five of the lower weight classes; however, the heavyweights of Eau Gallie proved to be too much for Satellite. Coming out on the short end, the final score was 35-39.

While evening their record to 1-1 with a victory over the Merritt Island Mustangs, the Scorpions won their home opener.

With a final pin in the unlimited division, Harry Miller gained six points which tied the Scorps with the tough Titusville Terriers.

With injuries starting to take their toll, the Scorps dropped their next two matches to 3A powerhouses Rockledge Raiders and Astronaut War Eagles. Trying to recover from their multiple injuries, Satellite lost 114 pounder Mark Howard for the season with a severely jammed neck. The majority of the team continued battling the contagious stomach flu.

# Scorps Come On Strong

The Scorps came back from the holidays to meet Cocoa in a hard-fought match the Tigers won. Injuries all but demolished the grapplers, with Satellite not putting the same team on the mat twice during the year. By the end of the season, the injury-riddled Scorps were hurt by broken ribs to Bobby Sells and Jeff Keen; shoulder problems to Jeff Dietz and Kurt Kempster; and hand injuries to David Fredericks, Billy Warren, Jeff Keen and Harry Miller.

The Scorps then got hot by beating Vero Beach, Melbourne and Palm Bay. The lower weight classes still going strong ripping through most opponents. The Scorpion lower weights one of the best in the Conference. Led by two-year lettermen Dave Fredericks and Mike Foster, Kevin Flynn and Craig Gallup had fine seasons along with Ernie McGehee. The upper weights were led by Harry Miller, with the rest of the guys gaining some much needed experience for next year. Sophomore Brian Salus turned in a fine varsity season and more importantly showed great promise for years to come.

After losing to Martin County, the Scorps received a "freebie" when Westwood forfeited, making the Scorpion record 6-5-1. Journeying to Fort Pierce Central the wrestlers succeeded in salvaging a winning season for the nineteenth straight season, the Cobras were a physically strong team, but the Scorps were better coached and won a close match. Injuries again hurt the team with Dave Fredericks and Jeff Keen going down with damaged thumbs, this was Keen's first match back after missing action with broken ribs. The next match was a learning experience against Lyman. The match gave the matmen some experience against a state ranked team and prepared them for the District Tournament.

# GIRLS START OFF WITH 10 STRAIGHT

Preparing for the upcoming season, the Lady Scorps travelled to Ocala for the Turkey Tipoff Tournament. The girls showed themselves to be in pretty good shape as they won the first two preliminary games with ease. The finals, versus Ocala-Vanguard, was a bit tougher but the girls still came out on top by a seven point spread.

The opening game of the season the Scorps battled the Cocoa Beach Minutemen. Recovering from a five point deficit at the half, Satellite managed a 53-48 victory. Kris Armitage and Linda Fleming combined for 33 points in the win.

The first home game pitted the Scorps against the Commodores of Eau Gallie. The girls put on a show for the home crowd and stomped Eau Gallie 71-56. In the game, the Scorps had three girls in double figures.

After convincingly defeating Merritt Island, Palm Bay, Titusville, and Rockledge, the girls got ready for their own Christmas tournament. With only four teams in the tourney, Satellite advanced to the finals with a victory over Cocoa Beach. In the finals, the Scorps met the tough Ocala-Vanguard team. In a back-and-forth contest, the Scorpions suffered their first loss of the year 69-71.

Coming back from the loss the Scorps faced off against the always tough Astronaut War Eagles. This game would probably be a mid-season preview to the conference champions. The big build up by the media and schools proved disappointing as the Scorpions dominated the game from the start. The War Eagles took a long ride home with hopes of a possible second place conference finish.

The Lady Scorps went to Cocoa for their next game against the fighting Tigers. Satellite tamed them, however, with a 71-54 whipping. Ten Scorpions scored and three reached double figures. Linda Brown and Karen Kroen combined for 34 points. This was a fine overall effort by the Scorpions who shot 82% from the foul line and a red hot 51% from the field.

When the Melbourne Bulldogs come to the Scorpion gym, strange things happen. Last year in the face-off game, the Scorps pulled out a close one against the Dogs 64-63. Melbourne went on to win the 3A state title and were out for a little revenge on the high flying Scorps. This was not to happen as the Scorps held off furious attempts by the Bulldogs for a 66-63 victory. They would meet one more time before the end of the season. The Lady Scorps were now 13-1 and still undefeated in the Cape Coast Conference.

## SCORPS CLINCH C.C.C.

Defense proved to be the deciding factor as Satellite held their next three opponents down while piling up the points on their own end. Outscoring the opposing teams 197-118 in three games, Satellite achieved a number six state rank. First Vero Beach fell to the Scorps 57-24. This game was followed by whippings of Palm Bay, 81-56, and Cocoa Beach, 59-38. This increased their record to 16-1.

On an off night, the Scorps lost a conference game to host Eau Gallie. It just seemed to be the Commodores lucky night as the final score was 56-57.

Bouncing back, the girls handily defeated Merritt Island, Titusville, and Rockledge. In the Titusville game, the Scorps came back from a 10 point halftime deficit and knocked off a dejected Terrier team. Linda Brown and Kris Armitage combined for 31 points in that game.

After a narrow 4 point victory over the Astronaut War Eagles, the girl's record boosted to 20-2 and a clinching of the Cape Coast Conference. Sheri Kaminski poured in 18 points in the clinching victory.

In the following game, Cocoa bowed down to a Scorp press and committed 20 turnovers. Four Scorps were in double figures with Sheri Kaminski burning the nets with a record-setting 29 points.

In a double overtime game, the Bulldogs of Melbourne were turned back again as Armitage and Kaminski combined for 41 points. When the pressure was on, it was the sophomores, Karen Kroen and Sheri Kaminski, who scored the four points to clinch the double-overtime triumph.

As the regular season came to a close, the Scorps ran through a porous Vero defense and put the icing on the cake with a 73-38 demolition. The Lady Scorps finished the regular season with a 23-2 record and a number 8 state ranking.

## WOW! 25-3!

In the opening game versus Merritt Island, the Scorps proved to the hometown crowd that they weren't going to fool around en route to a District 10 title. Utilizing a blistering fast break, the girls bolted out to a 13 point lead at half and never looked back. A final score of 69-39 sent the Mustangs out to graze and only to dream of next year.

The semifinal contest pitted the Commodores of Eau Gallie against an enraged Scorpion team. Eau Gallie had luckily beaten the Scorps in an earlier contest for Satellite's only conference defeat.

At the tipoff, a revengeful air filled the Scorpion dome. A quick 11-4 lead put the Commodores behind for good. The over-aggressive Commodores allowed the Scorps 40 opportunities from the charity line. Converting 30 of the shots, the Scorpions blew out Eau Gallie 72-50. Sheri Kaminski led all scorers with 20 points. The finals matched the Scorps against number three ranked Fort Pierce Central Cobras.

The only thing the Scorpions lack beat them in the District 10 finals. Height is the Scorps only setback and there was nothing they could do about it. Two girls over 6' were just too much for the Scorps to handle. Sheri Kaminski and Linda Brown each had 15 points to lead the Scorpions. The girls finished with a record of 25-3, the best in the history of Satellite High School. Pete Ballard deserves all the credit in the world for doing an outstanding job with outstanding girls.

# SCORPS DROP FIRST FIVE

Mary!
You still a 9.9
but I love you anyway
we didn't stay as close
as we have in the past
so we will work on it
Love Scott
P.S. Say hi to Mama

An inexperienced Scorpion team opened the season against defending district champions Fort Pierce Cobras. The game was close till the middle of the fourth quarter when the Cobras took an eight point lead with two and a half minutes to play. The Scorps just couldn't make up the ground and lost 56-50.

After a 12 point loss to the Eau Gallie Commodores, Satellite travelled to Merritt Island. After playing four quarters to a 53-53 deadlock the Scorpions were ready for overtime. However, two calls by the referee went against the Scorps and they came out on the short end 57-60.

A powerhouse Titusville Terrier team had little problem with the young Satellite team. Titusville finished the season with a 23-3 record and a 3A District title. Their height and outside shooting dominated the Scorps for a final score of 57-80.

Taking on the always tough Rockledge Raiders was no pleasant task for the Scorps. Being down by only four at halftime, the inexperienced Scorps could not handle a tough man-to-man press. Bill Horak, Alfonso Colbourne, and Greg Eller all hit for double figures in a losing cause, 50-69.

Following the Optimist Club Tournament, the Scorps last four straight. Greg Eller had 14 points against Astronaut and in the Cocoa game, Jimmie Gant came off the pine and poured in 10 points. The following game, Tony Mac snagged 11 rebounds against a very physical Melbourne team. A loosely called game went in favor of the Bulldogs 37-46. Lack of height hurt the Scorps in a conference game versus Vero Beach. The tall Indians dominated the boards and won 49-74.

The MCC Hustlers got hustled by the free-throw shooting of the Scorpions. Outscoring the Hustlers 5-2 in overtime proved to be the difference. Hitting five of six from the line the Scorps turned away the 2A Hustlers.

Tony McNichols and Alfonso C. Colbourne combined for 36 points but the Scorps lost by a bucket 54-56. This was the beginning of the Scorpion "slide". In the Cocoa Beach game the Scorps put three men in double figure but couldn't stop the hot shooting Minutemen.

Sickness and injuries to three starters plagued the Scorps for the next 9 games. Rebounding suffered and the juniors could not pick up the slack.

In the final game of the regular season, the Scorps battled the Cocoa Beach Minutemen. Trailing throughout the entire contest, Satellite put on a vicious full court press and scored 34 points in the final quarter. Greg Eller led all scorers with 19 and junior guard Richard Donate threw in 17 points along with the game winning bucket with 3 seconds remaining.

## SCORPS TAKE SECOND

Over the Christmas holidays, six teams including the Scorps, participated in the Optimist Club Tournament. The Scorpions battled the MCC Hustlers in the opening game. Bill Horak hit for fifteen points including two tying foul shots with four seconds remaining. Tony McNichols grabbed 17 rebounds as the Scorps advanced with a 51-49 victory. Alfonso Colbourne hit three free throws in overtime to clinch the victory.

The second game placed the Scorpions against the Melbourne Bulldogs. The tournament was held in the Bulldog gymnasium so they had the home court advantage. This didn't help the Dogs at all as the Scorps romped 61-58. Bill Horak had 22 points and senior guard Alfonso Colbourne added 12. Tony McNichols yanked down 13 rebounds and Jim Megellas and Greg Eller played outstanding floor games.

The Scorps fell short in the finals as the Merritt Island Mustangs topped them 46-56. In that final game, Alfonso Colbourne had 14 points and Tony McNichols had 12. The Scorpions had to settle for second place.

## J.V. SHOWS PROMISE

Under the first year coaching of Mickey Sneddon, the baby Scorps did rather well. Due to being well-conditioned, the Scorpions out-hustled their opponents and often outscored them. The team is made up of juniors and sophomores and is basically a year to gain experience for the upcoming varsity years. Coach Sneddon had a well-rounded squad and could substitute very freely without a loss of talent or competitive spirit. This is very rare and this helped the Scorps a great deal. Coach Phillips can expect to get some fine ball players on his varsity team next year.

In past years at Satellite, there is only one word to describe both the girls and boys swim team; awesome. Head Coach John Funk has constructed a lasting dynasty which has captured the Cape Coast Conference title for the past seven years. He is expecting much of the same from this year's squad.

The boy's team will be led by Senior Captains Ted Wirth and Greg Desrosier. Chris Norris, Terry Granis, and Bob Kemerait will also help the Scorps a great deal as they continue to cut down their times.

The girl's squad has many fine swimmers with prospects such as Kathleen Wensinger (sprints), Missy Miller (breast), Anita Kilbourne (500 yd.), and Polly Grass (100 fly).

The girls, as well as the boys, are a tightly knit group with one purpose in mind — keep the tradition going. With the long hours of hard work they put in, an eighth title is definitely within reach.

## STRONG DIVING "TEAM"

The Scorps have a very special pair of divers. Pat Neve and Helen Pratt spend a great deal of time in perfecting various dives for this year's up and coming competitions. Helen Pratt is the defending Cape Coast Conference champion and Pat Neve is looking forward to an outstanding year after exceptional performances as a junior. These two are also under the expert supervision of Coach John Funk. The divers at Satellite are the only group of swimmers who don't make waves.

## SCORPS TRY TO DEFEND DISTRICT TITLE

With numerous players returning from the championship team from a year ago, the Scorps have a definite shot at being on top again. Coached by Hub and Mark Hedgecock and assisted by Rod Soares, Satellite has expertise on the practice field at all times.

Pitching and hitting should be strong. Denney, Ledbetter, and Dilts all have experience from last year. Sluggers Matt Shihadeh, Rudy Frederico, and Reggie Ross will undoubtably put runs on the scoreboard. Accompanied with exceptional fielding from Bobby Doerer, Keith Rowley, and Steve Miller, the Scorpions will be a threat in both the C.C.C. and the District 10 races.

Missy,

You've been a dear friend ~~friend~~ to me not to mention a pretty one also! I hope everything works out ok with you and whatever or whoever. I know that one of these days some guy is going to be super lucky and get a hell of a girl. Good luck and I hope to see you during the summer and following years. Friends always, Rod Rowley

## GIRLS GO 6-5

Under the supervision of Head Coach Bill Peers, the Scorpion girls finished second in the district. After beating Vero Beach and Merritt Island in the quarter and semi-finals, the girls bowed down to a tough Eau Gallie squad. The team is returning at least eight juniors so next year the Scorps should be very tough. The junior varsity squad had a very respectable 7-3 record and should help the varsity in their quest for the District 10 title next year. The J.V. team was coached by Mrs. Julia Beckman.

## GOLF TEAM'S TOUGH

Golf is as much a team sport as an individual one. A well-rounded consistent team will always place highly in conference play. This is the goal of this year's team under the supervision of Dr. Colman and Travis Akin.

The boy's team is anchored by senior David Hummer and the girls by senior Kristy Vogel. Along with their teammates, many hours of practice are spent at the driving range and putting green.

Golf is a game of consistency. The Scorpions have been consistently good in the past and this year should be no different.

# SCORPS LOOK FOR NET GAIN

This year's tennis team looks very promising. Coached by Dr. Anthony Villanti, an always successful team should have no trouble living up to everyone's expectations.

The boys are anchored by returning seniors Todd Roth and Carl Kopf. Now that the courts are in good playing condition, consistent and constructive practices are being conducted, each day after school. This is the key to success in any sport; practice and dedication. The Scorps have the key and should place highly in Cape Coast and District 10 competition.

The girl's team won their first match of the year 7-0. They are led by newcomer Ann Young and senior Kim Polydys. Head Coach Julia Beckman advises the girls on all aspects of the game as well as supervising all practice sessions. Returning a number of players, the Lady Scorps are expected to do quite well as in previous years, and leave a mark in the Cape Coast Conference record books.

## SCORPS EYE DISTRICT

Having only three seniors on the team last year couldn't stop the Scorps from winning meets and placing highly in both Cape Coast Conference and District 10 standings.

This year, with virtually the entire team returning, Head Coach Fernando Suarez expects big things to happen.

Field events should be the area where the Scorps are strongest. Returning pole vaulters Carlos Madrid and Ken Bookhardt anchor a fine team of vaulters. Junior Chet Whitmer placed first in many meets last year high jumping, and the shot put and the discus should also be strong.

In the first meet of the 1981 season, Junior Greg Hayes broke a state record in the triple jump with a leap of 45′ 10″. He also placed in state competition in the long jump. If sprinting and distance can hold their own the Scorps should be very tough.

*PAGE 102: BOTTOM LEFT: Greg Hayes is air-born during his record-setting leap. BOTTOM RIGHT: Distance anchorman Joe Lahosky comes in the back stretch. # CROSS COUNTRY

*FRONT ROW: Scott Peters, Simon Swain, Greg Desrosier, David Swafford. BACK ROW: Paul Westcott, Billy O'Hara, Kevin LaFrance, Joe Lahosky, David Lawrence.*

## CROSS COUNTRY LOOKING UP

Both the girls' and the boys' teams improved vastly from last year. Under the experienced supervision of Coach Fernando Suarez, times were cut and endurance was built up. The two teams, anchored by Joe Lahosky and Dana Bell, placed highly in both Cape Coast and district competition. Long hours of dedication and hard work contributed to the success of the Scorpion runners. This grueling sport and the people who run it are deserving of commendation.

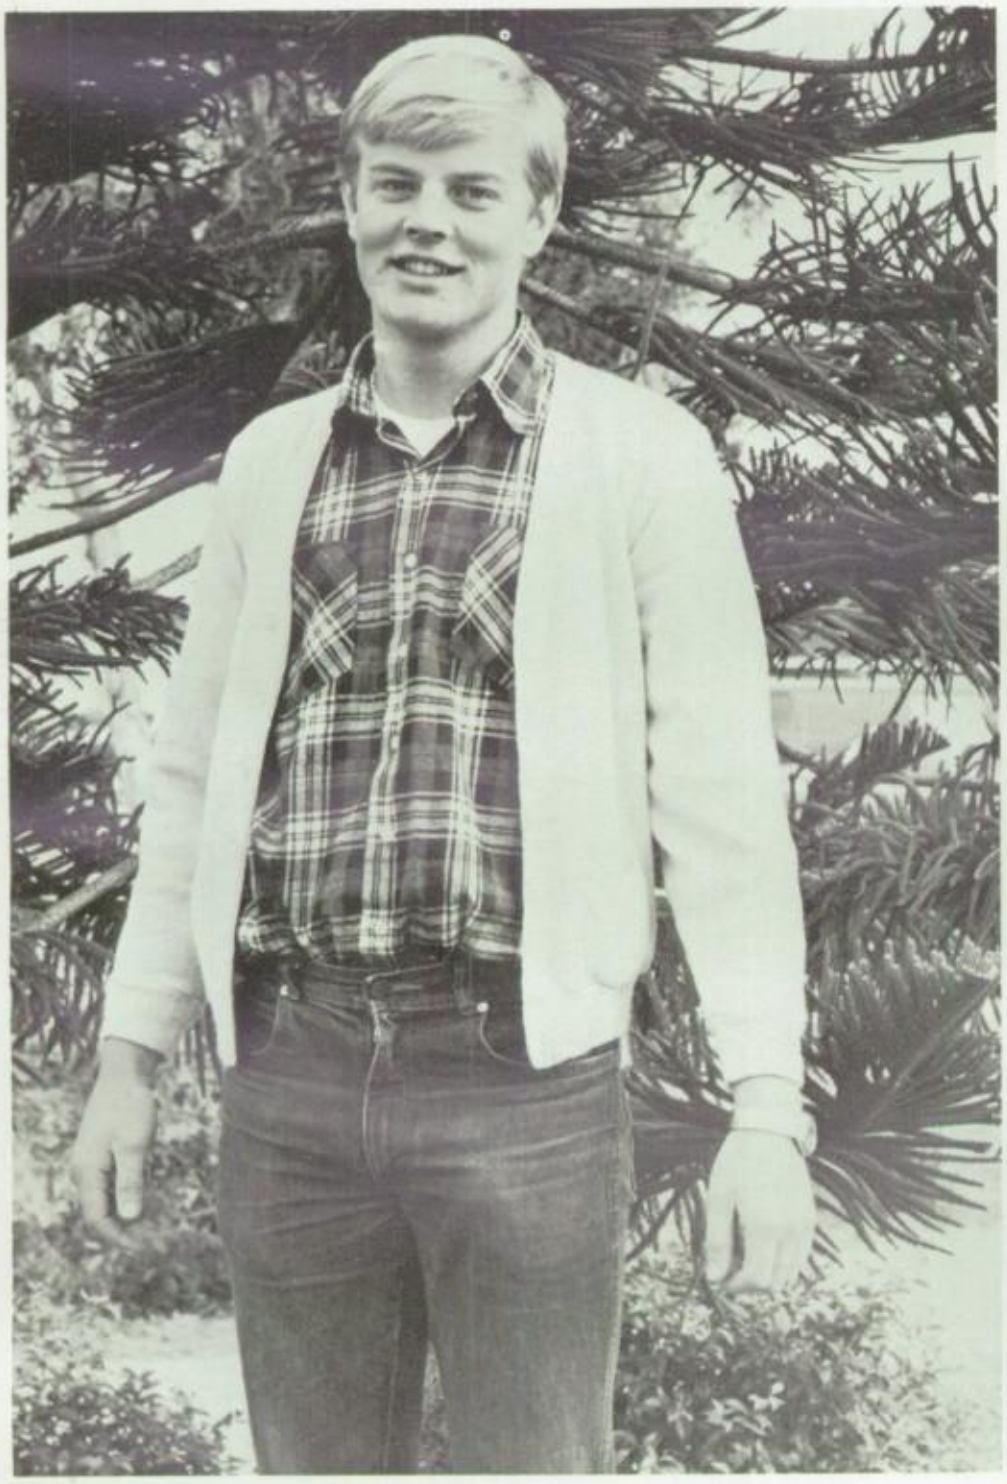
# FOREIGN EXCHANGE



This year's foreign exchange student is a senior named Hans Rindal. He hails from a town in Norway called Lillehammer. Hans arrived in the U.S. in August 1980 and plans to stay until July 1981. His host family for his stay in the States is the Dillons of Rosada St., Satellite Beach. Mr. and Mrs. Dillon have four children, Pat, Aurelia, Mary, and Greg. Hans has grown very fond of the Dillons during the past year he has spent in Satellite Beach.

As far as schoolwork at S.H.S. is concerned, Hans feels that our curriculum is a good one. He also says that there is much more emphasis placed on extracurricular activities, and therefore; less on regular schoolwork, which is a change of pace for Hans. He became involved in varsity football, taking the position of place kicker, and excelling at it. Hans also was the co-captain of the "Powder Puff cheerleadering squad" and did a pretty mean "Time Warp."

All in all, Hans has enjoyed his year at S.H.S. and he views the students here as nice, openminded, and friendly.

# SLAVE DAY

This year's annual Slave Sale was a big success as usual! It was held in the fall by the Latin Club. Latin I students were auctioned off to the highest bidding advanced Latin students. Slaves were made to wear togas and perform certain tasks for their masters, such as carrying their books to class, and singing silly songs. The Slave Sale day was greatly enjoyed by all.

Hey Missy
It was really fun knowing you. You're a really nice person with a good personality. I hope you have a fun summer and a great senior year. '82' Kicks
Rick

# PATIO SALES

As the saying goes, "The business of America is business". This phrase rings true at Satellite's senior patio during lunchtime. In order to afford their various activities practically, all the club and organizations of the school must employ the good ol' free enterprise system. (Let's hear it for American capitalism.)

# "WE'VE GOT SPIRIT

1980-81 has been one of the rowdiest, most spirited years in the history of S.H.S. There were plenty of pep rallies to get everyone fires up and the turnouts for sports events were better than ever. The formation of the S.O.M.F. Club has boosted the spirit of Satellite students to great heights. Keep it up juniors and sophomores! Carry on the great spirit of the rowdy class of '81!

Missy, it's been a long year. A lot of fun. You all have to cause a lot of trouble next year. But not to much like the Baseball team. Be good but not to good.

Love,

John

The highlight of Friday afternoon was the Annual Homecoming Parade. Satellite teaching staff veteran, Dan Geronimo president as the 1981 Grand Marshal, keeping with the tradition of Satellite's homecoming extravaganzas throughout the years, the parade was constructed around a central theme. This year's theme was "Scorps Around the World."

After weeks of planning and work, the various clubs of the school parlayed their best creative efforts into the construction of floats. A.F.S., German club, and National Honor Society placed first, second, and third respectively.

Along with the floats, the parade included dozens of vintage automobiles, spirit cars, and marching units.

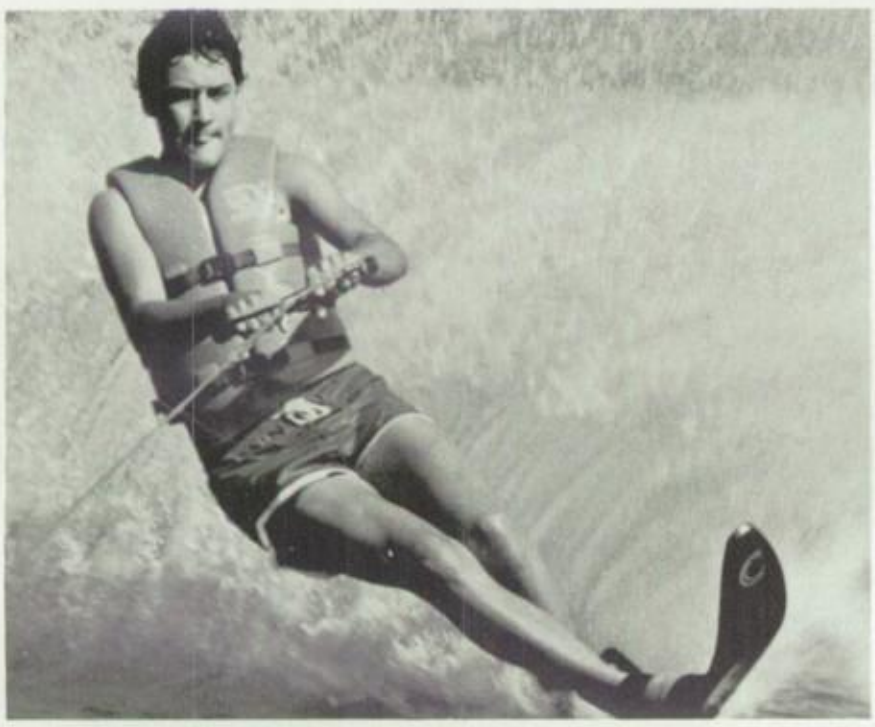
At this year's Powder Puff Football game, the guys at Satellite reversed roles as well by running for Powder Puff Queen and court, and they donned lovely gowns and wigs, and were escorted onto the field by their family dogs. The winner of the Queen's title was Dee Merrix. His court was: senior princess — Cliff Denny, junior princess — Drew Milikin, and sophomore princess — Todd Hopson.

# WATER SPORTS



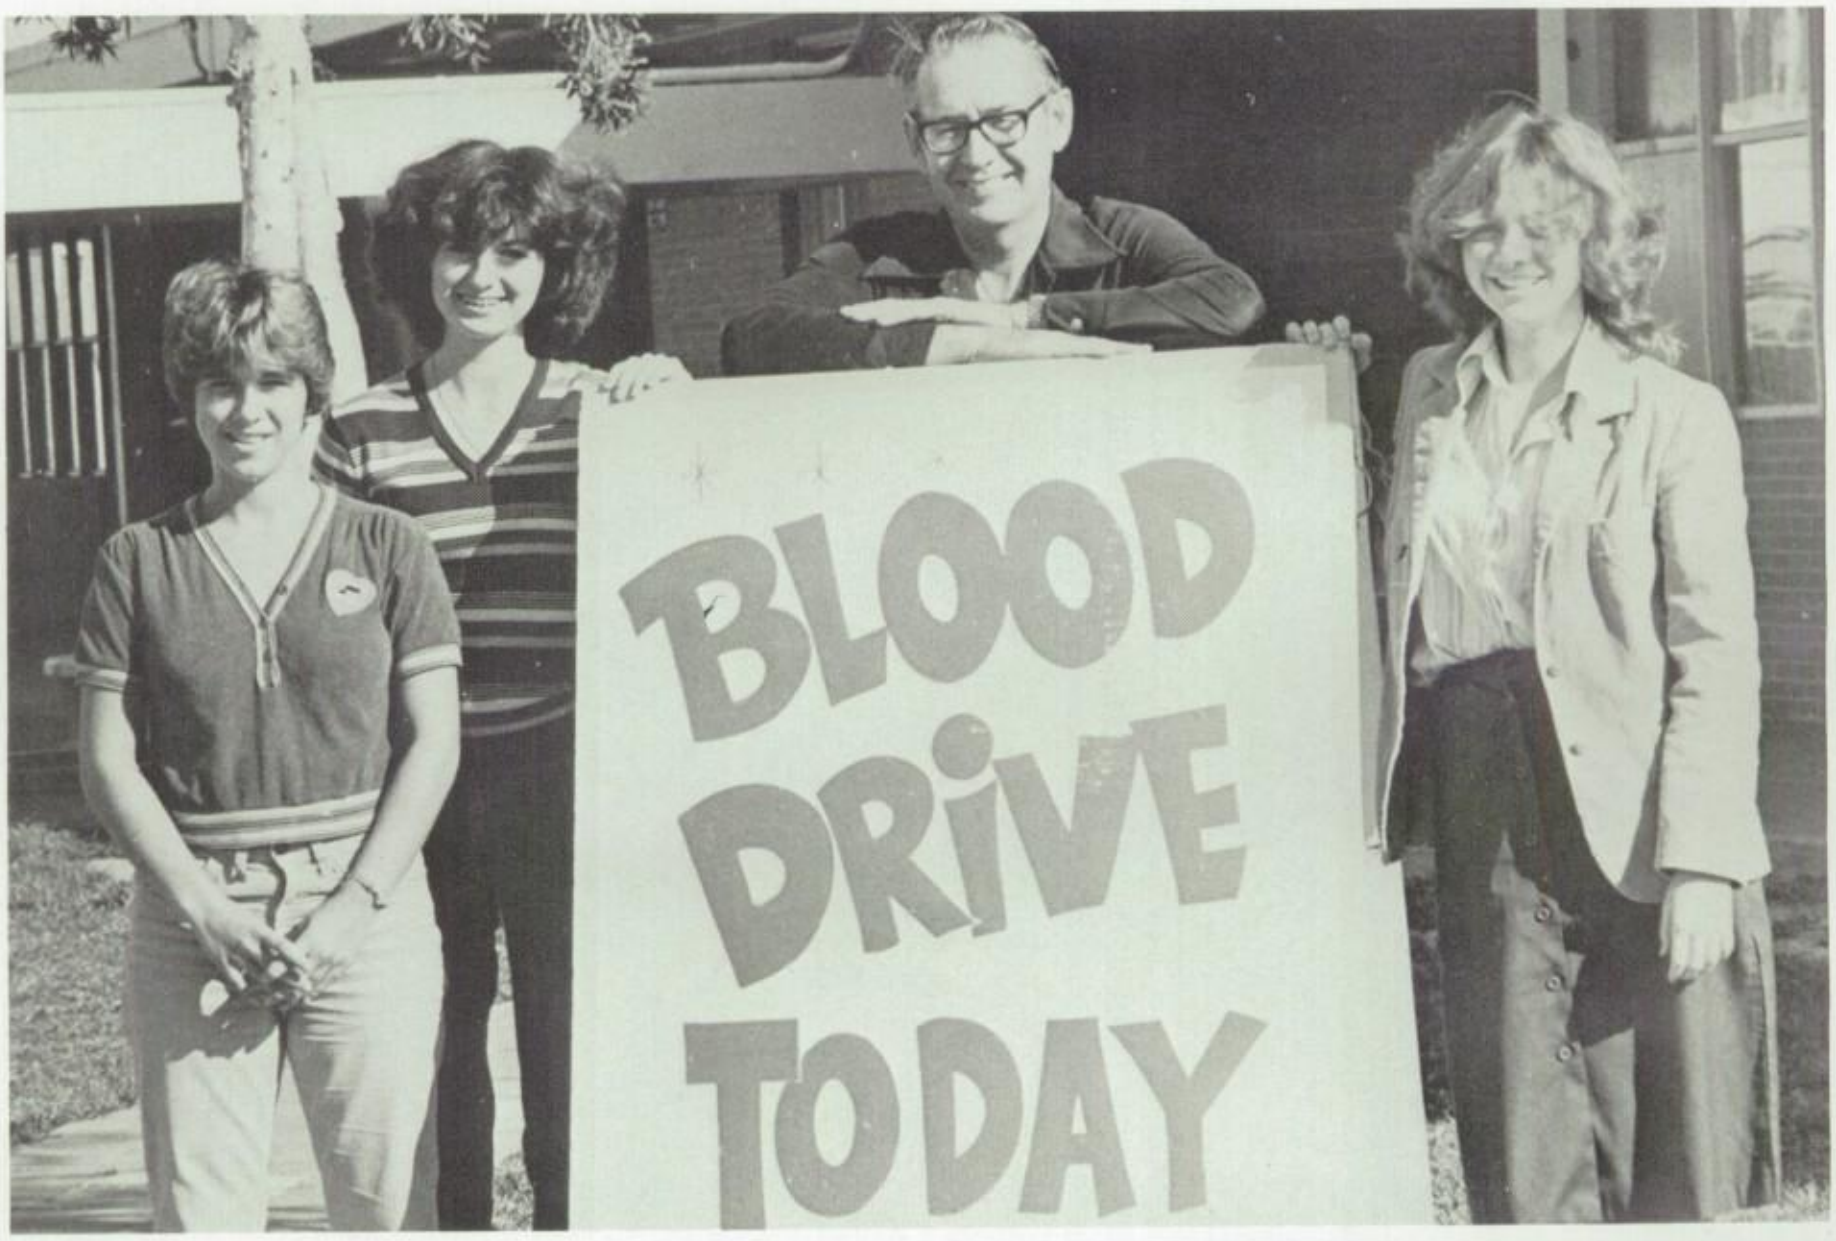
Living between two bodies of water gives us many advantages and opportunities many people do not have. Surfing, skiing, skin diving, boating and fishing are just a few activities enjoyed by local residents.

## HOLIDAY HAPPINESS

Each year the band holds a Christmas assembly, and an evening program for parents.

Along with some old favorite holiday tunes, there was a short appearance of the Scorpionettes, and a surprise visit from Santa. He was escorted by reindeer that closely resembled the Scarlettes.

*Page 136: Top: Tom, Christina, Carlos, and Brian show off their talent. Bottom: Rudolph, alias Pat Milikin, lets the troop know they're ready for take-off. Page 137: Top: Scorpionettes get down with a little Christmas spirit as they dance to "Winter Wonderland". Bottom Left: It's not very often you get a picture of Santa Claus! Bottom Right: Sandra Miller, sure ages fast as she recites "Twas the Night Before Christmas".*



For the 7th consecutive year the Youth for Christ held its Bi-Annual Blood Drive. Club sponsor Bob Stafford, is showing concern toward the decreasing number of volunteers. It has also been stated that the number of acceptable donors has reached an all time low. This means the general health of the student body has declined along with it. This project is made possible by Holmes Medical Regional Center.

Many Friday nights are spent dancing the night away in Satellite's Gym. Different clubs sponsor these dances, to help pay for their various activities as well as providing a place for students to meet.

*(TOP) Chris Long enjoys playing D.J. at Friday night dances. (BOTTOM) Why can't Keith Prejean take his hand out of his pocket . . . Maybe the same reason why Karen Russelle can't let go of her purse.*

# CHAMPAGNE JAM

*Satellite High got its share of hot rocks on the night of November 1st as the gym shook with the sounds of the Student Council sponsored "Champagne Jam". Of the four bands that performed, three contained Satellite students and Alumni. Exhibiting the subtelety of a panzer division at play,* **Tumblin Dice** *gave the audience a barrage of their hard-hitting rock and roll. The guitar army of the* **Keys/Zajac Band** *reached into their bag of tricks and pulled out a tribute to southern rock. Blending a concoction of onstage instrumental prowess and sinewy vocals,* **Rogues Gallery** *displayed the cunning of the insane. Needless to say, the enthusiastic audience received these three local groups with thunderous approval. Thanks to events such as "Champagne Jam", Satellite has become a spawning ground for new musical talent here on the Platinum Coast.*

Dear Missy,

I'm really glad I got to know you at Astellite this past two years. And I've really grown to like you. I don't even remember how I got to know you; just who cares, right? Hey, it's been a real blast these years at Astellite. I know you'll be seeing me at the parties sometime. I'll have the privilege of throwing one. But I really don't know yet. Maybe sometime I'll have the party or attend one or escorting you to a movie or party or whatever might come up. See ya later.

Love ya, Roses

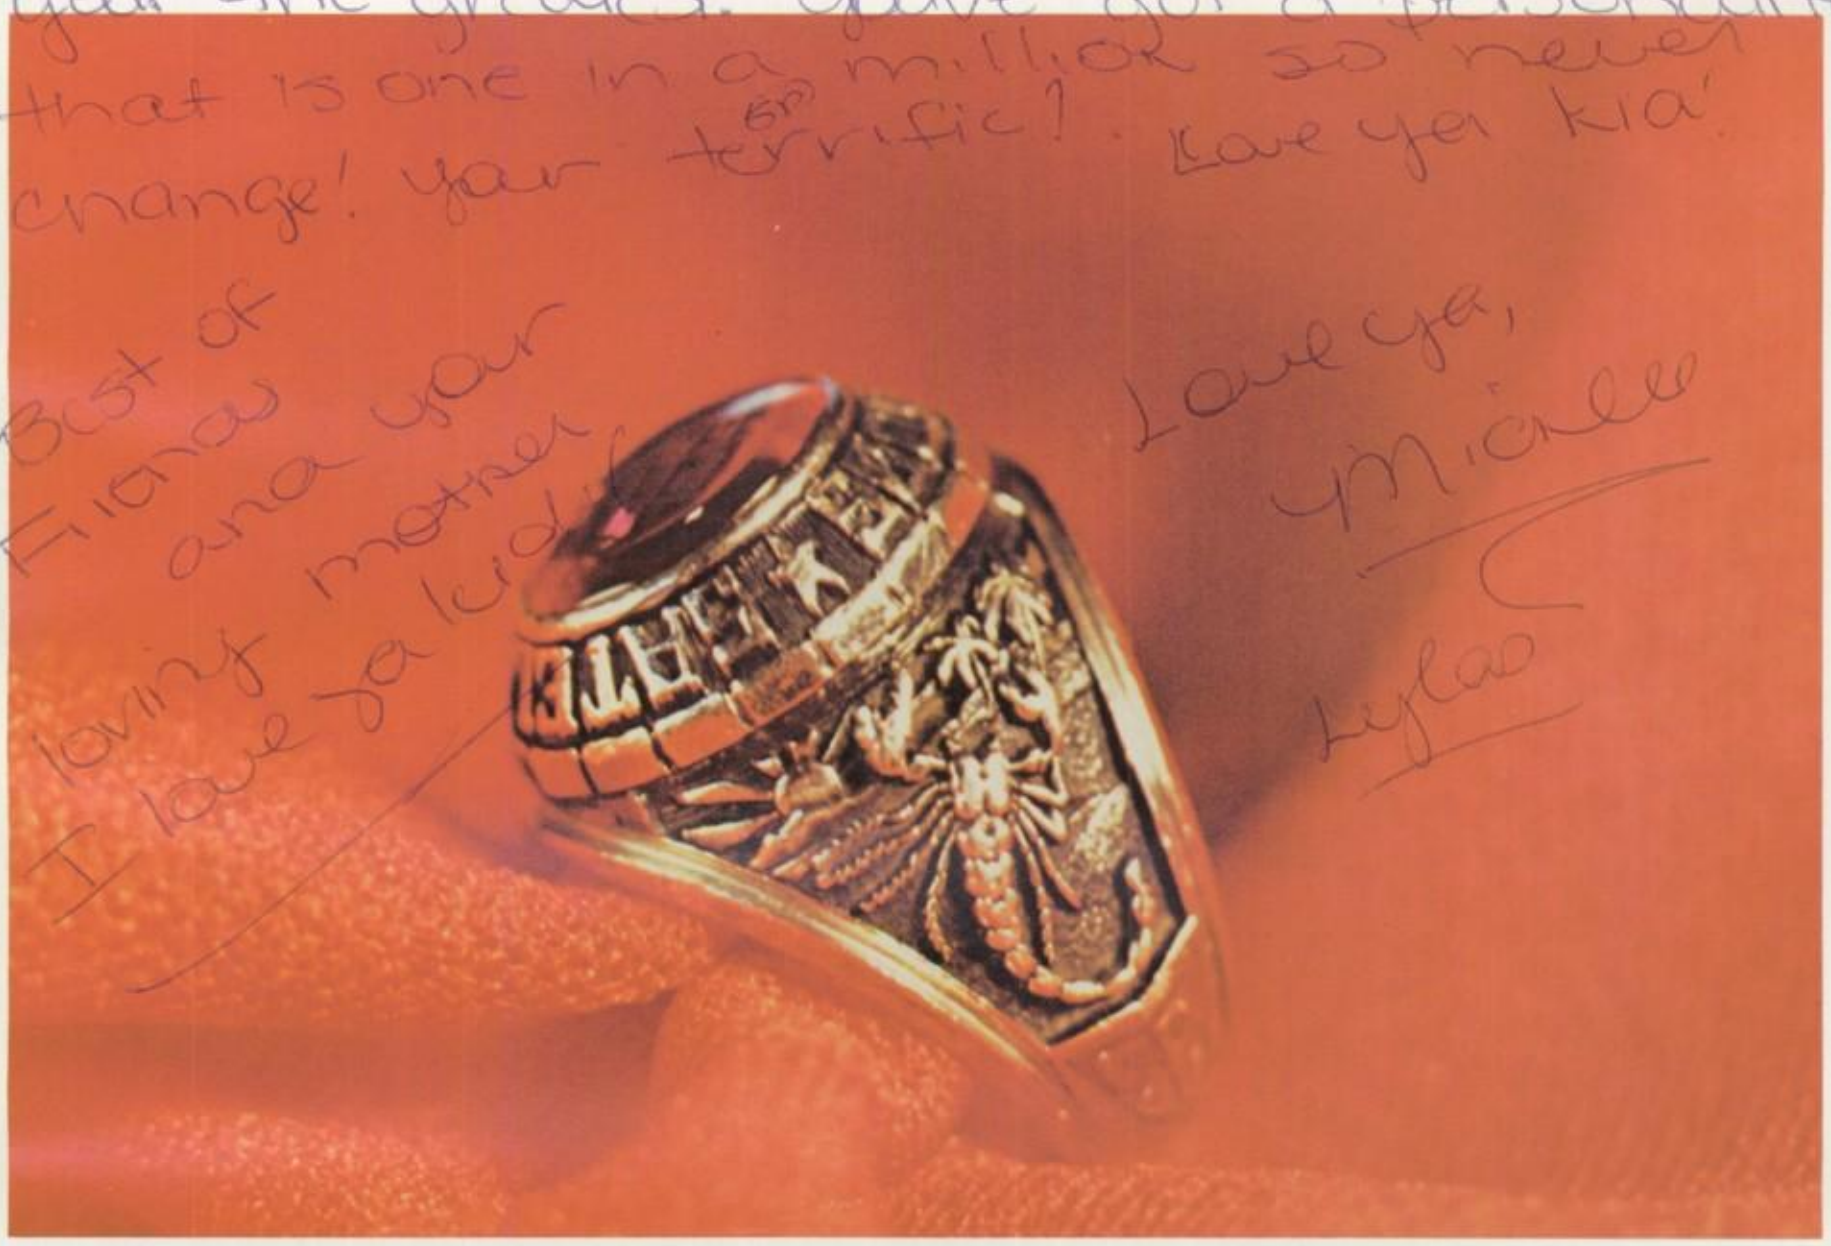
Missy.
what can I say, were been friends for a long while and I will never forget you. I really can't say all I want to say. We have had a lot of great times together and I sure (I'm positive) we'll have a lot more. your the greatest person on this entire earth. I'm not kidding. I think of you as my sister, and boy do I Love you sis! Lately I can really say I have been a bitch. but goon you put up with it. Its been one great year and I really don't believe we have one more year left. Remember when we graduate and each have a job, were going to share our own apartment. That will be totally unreal! Your the best friend a person can have in this world. your mom and dad both. I love your whole family to death! They have all been so nice to me, I really don't know what I would do without them or especially you. missy really I need you. Please never let me down I know you will. God I can for you [illegible] I usually say don't want you to get everything you want in life, cus you deserve the best. you the best daughter a mom could ever wish for.
Well I don't have much more to say. Except you know I will always be there to help. I love you! Take care of yourself and be good. Thanx for everything

DUST IN THE WIND
I close my eyes, only for a moment and the moment's gone
All my dreams, pass before my eyes, a curiosity.
Dust in the wind, all they are is dust in the wind.
Same old song, just a drop of water in an endless sea.
All we do, crumbles to the ground though we refuse to see
Dust in the wind, all we are is dust in the wind.
Don't hang on, nothing lasts forever, but the earth and sky.
It slips away, all your money won't another minute buy.
Dust in the wind, all we are is dust in the wind.



your the greatest. Youve got a personality that is one in a mill. OR so never change! your terrific! Love ya kia'

Best of
Fiona

Missy,
To one of the most genuinely beautiful girls I know. It's been a great joy to have known you and I'm glad I'm going to B.C.C. next year so I can come back and see you and everyone else very often.

Please stay pleasently gorgeous.

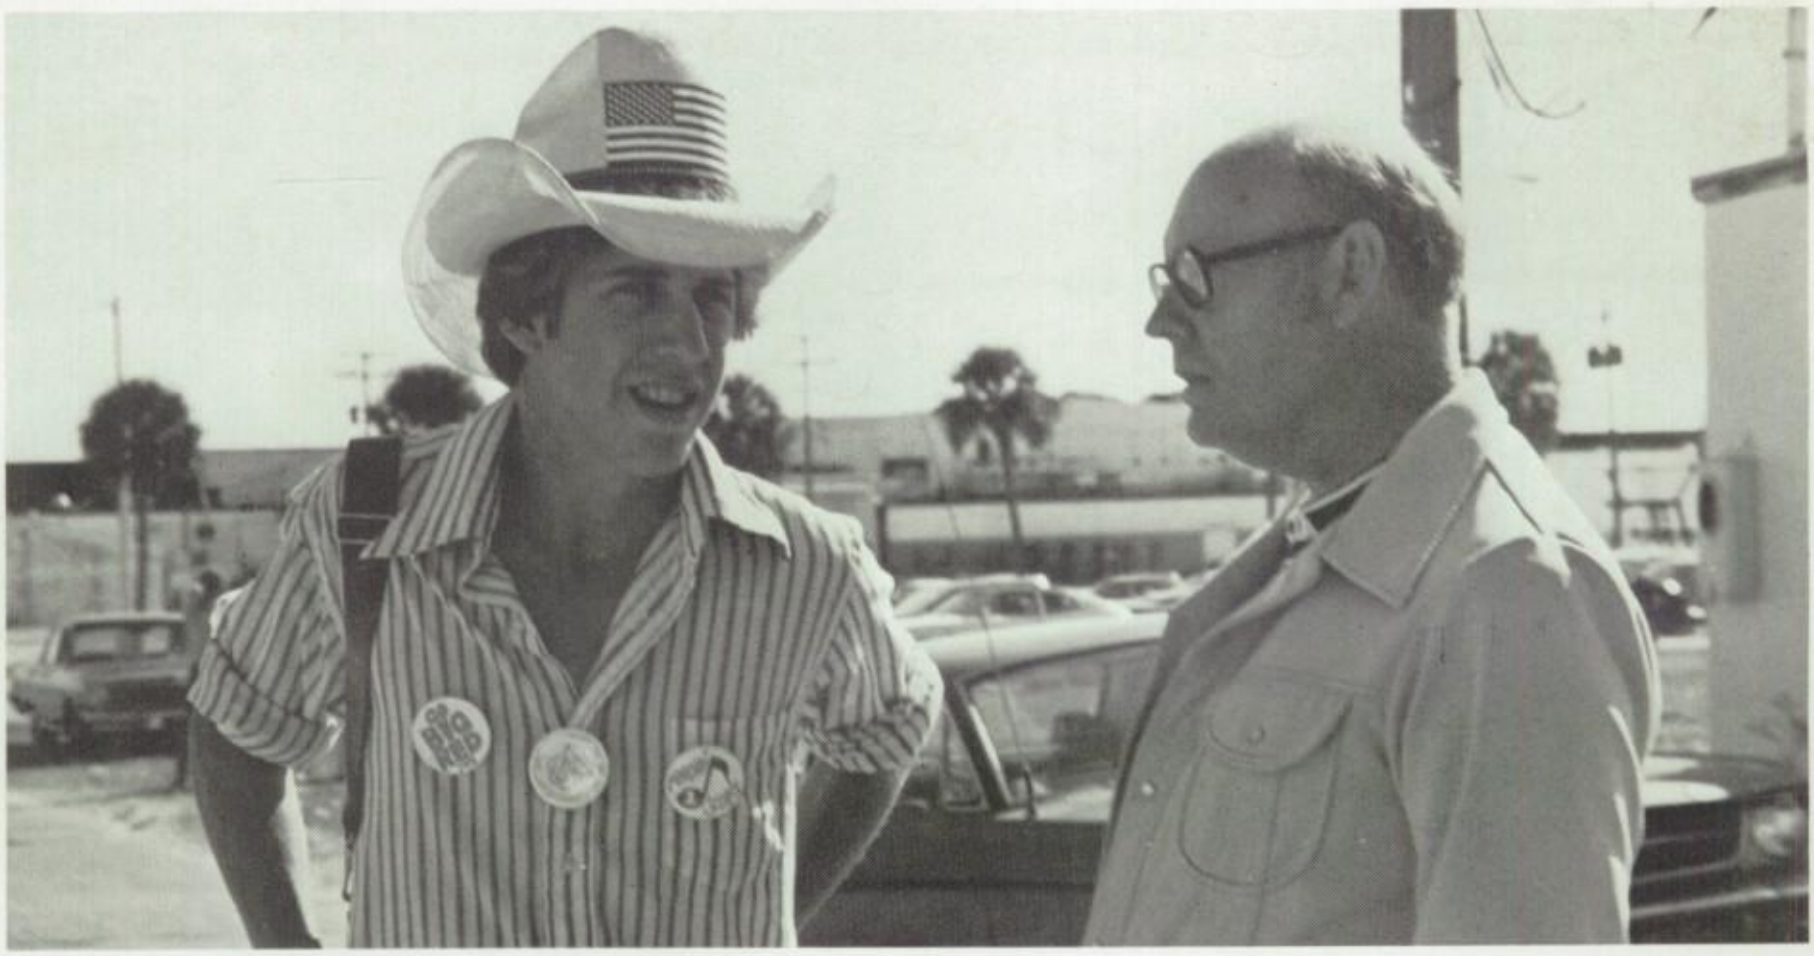
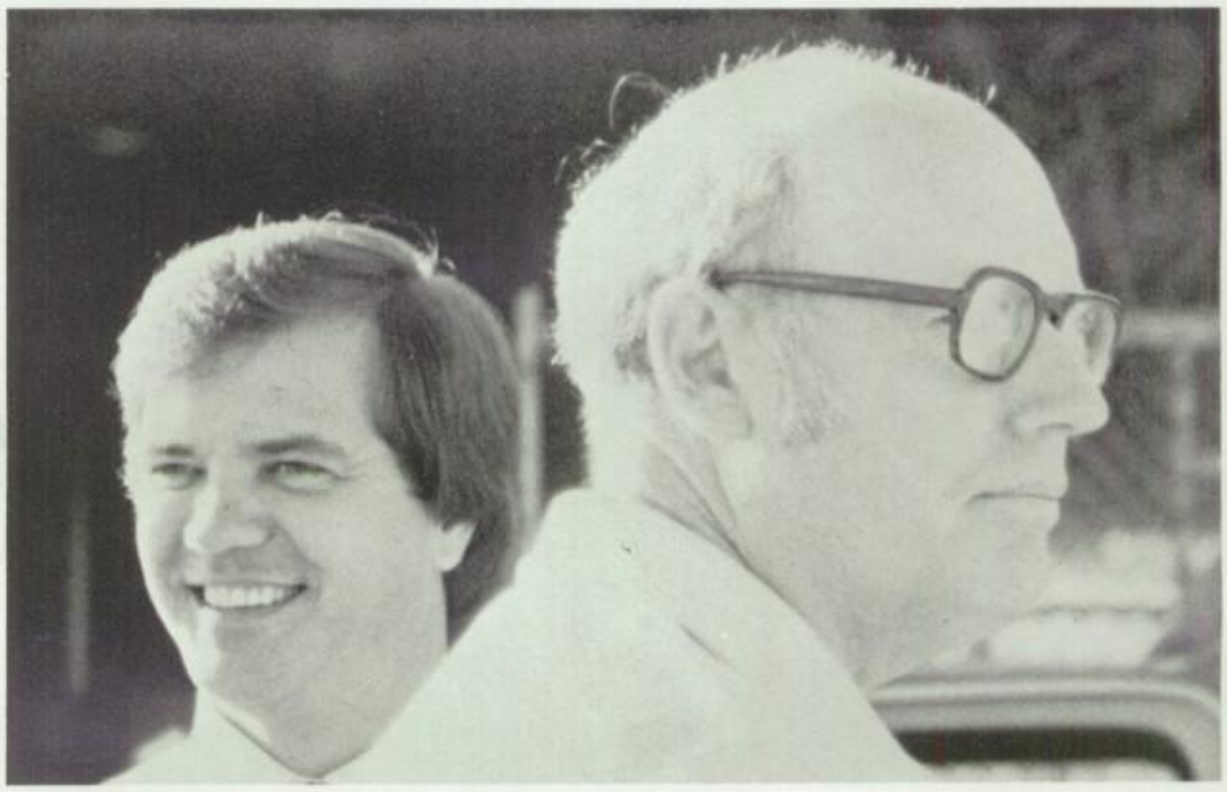
# FACULTY



# PRINCIPAL

As our principal for the past eight years, Mr. Billy R. Davis has changed only slightly. He still keeps in touch with the students, teachers, and administration at our school. His job doesn't stop there. Mr. Davis also has the responsibility to insure that our school is well represented at the county level. This year Mr. Davis has spoken to the School Board on air-conditioning and re-allocation of funds to better benefit Satellite High School for the years to come. This is just a small portion of the work Mr. Davis does. Although most of this work goes unnoticed, Mr. Davis has achieved great success in keeping Satellite the number one school in the county. We the staff of Scorpio '81, would like to extend our deepest thanks and gratitude for the excellent job that he executes daily.

*UPPER: Bringing up a problem in the scheduling of events, Paul Westcott converses with Mr. Davis.*
*LOWER: Mr. Davis and Dr. Jennings oversee the activities of the pre-Homecoming parade set-up.*



Mr. Billy R. Davis

Missy, you are so beautiful you are one of the prettiest girls in the school. Some day you will meet Henry. Well Have a good one and "83" #1. Love, Scott Grish #36

*Dr. Hartzel Jennings*

*UPPER: Enjoying the ride in our Homecoming festivities are George Klise and Vice-Principal Hartzel Jennings.*
*MIDDLE LEFT: Mr. Edward Lowe, our newest Vice-Principal, is often involved in student activities such as decorating the field for Homecoming.*
*MIDDLE RIGHT: Pat Vann, Vice-Principal in charge of Adult Education, sorts out some scheduling problems.*

# Assistant Principals

*This year we have a change in the administration at Satellite. We welcome Mr. Edward Lowe as Vice-Principal in charge of student activities. Dr. Hartzel "Bud" Jennings has moved from this position to the Vice-Principal in charge of curriculum at Satellite. Both Vice-Principals have the responsibility to substitute for the principal during his absense. These dedicated men have some of the premier responsibilities in insuring that our school runs smoothly. Dr. Jennings and Mr. Lowe deserve all the thanks and recognition given to them by the students and faculty.*

Mrs. Gloria DiFabio
Mr. David St. John

# DEANS

One of the most difficult jobs of the administration of Satellite High is that of the dean of the students. They are Mrs. Gloria Difabio and Mr. David St. John. Their main responsibility is to control unruly students and administer the necessary punishment. Besides this disciplinary work, the deans are available for counseling on problems of students with their attendance, credits or teachers. These two fine individuals have one of the most thankless jobs ever put on "God's green earth".

Missy,
I am looking forward to next year, your senior year! It will be fun.
Best wishes;
Dave St. John '81
Dean

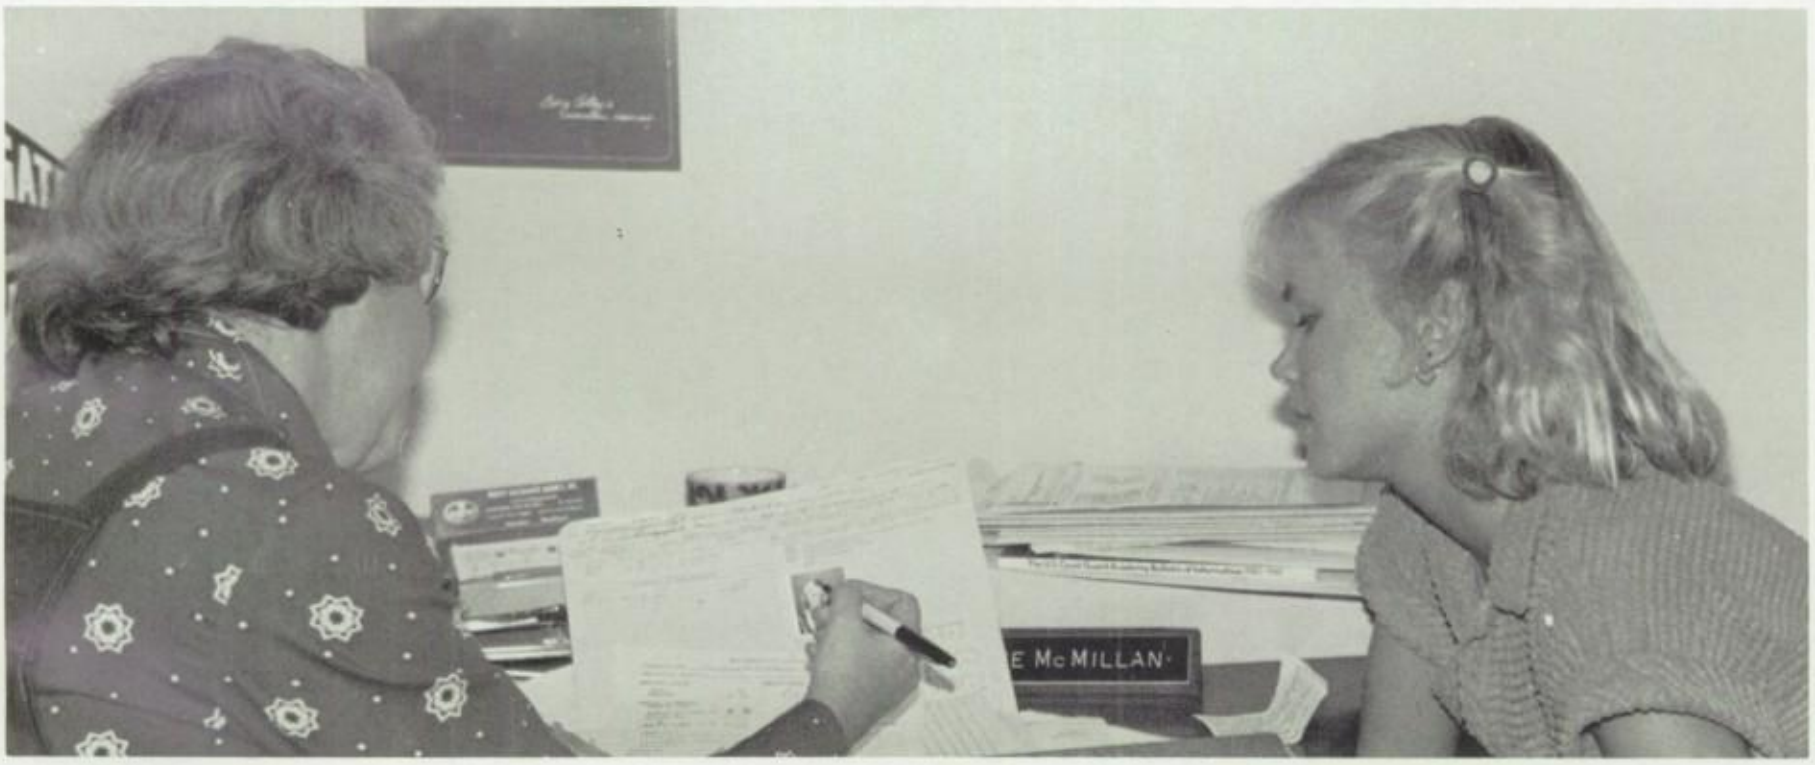
*Travis Akin*
*Doris Barton*
*Dr. Charles Colman*

*Elisabeth Hunter*
*Joan May*
*Sue McMillan*

# Guidance Staff

*When you have a problem, whether it be academic, social, or personal, the guidance staff is always ready, willing and able to discuss it with you. This year's counselor staff is: Dr. Colman, Mr. Akin, Mrs. McMillan, and Mrs. Hunter. The students are assigned alphabetically to the specific counselor, for consultation dealing with schedule changes or on recommending colleges to attend and how to apply for them. But on personal problems, you are free to choose any counselor. If a student has a problem they may feel free to consult a member of the guidance staff and they'll do everything humanly possible to help you solve it. This staff is important to the students and their work, no matter how great it is, sometimes goes unnoticed. But, they do a truly great job and we would like to take this opportunity to say, "Thank You!"*

*UPPER: One of many jobs of the counselors is to assist in scheduling changes. Here Mrs. Hunter helps Tony Coker with his history class.*
*LOWER: When searching for the college of your choice, a counselor can be very helpful. Here Mrs. McMillan assists Kim Polydys with her college transcript.*

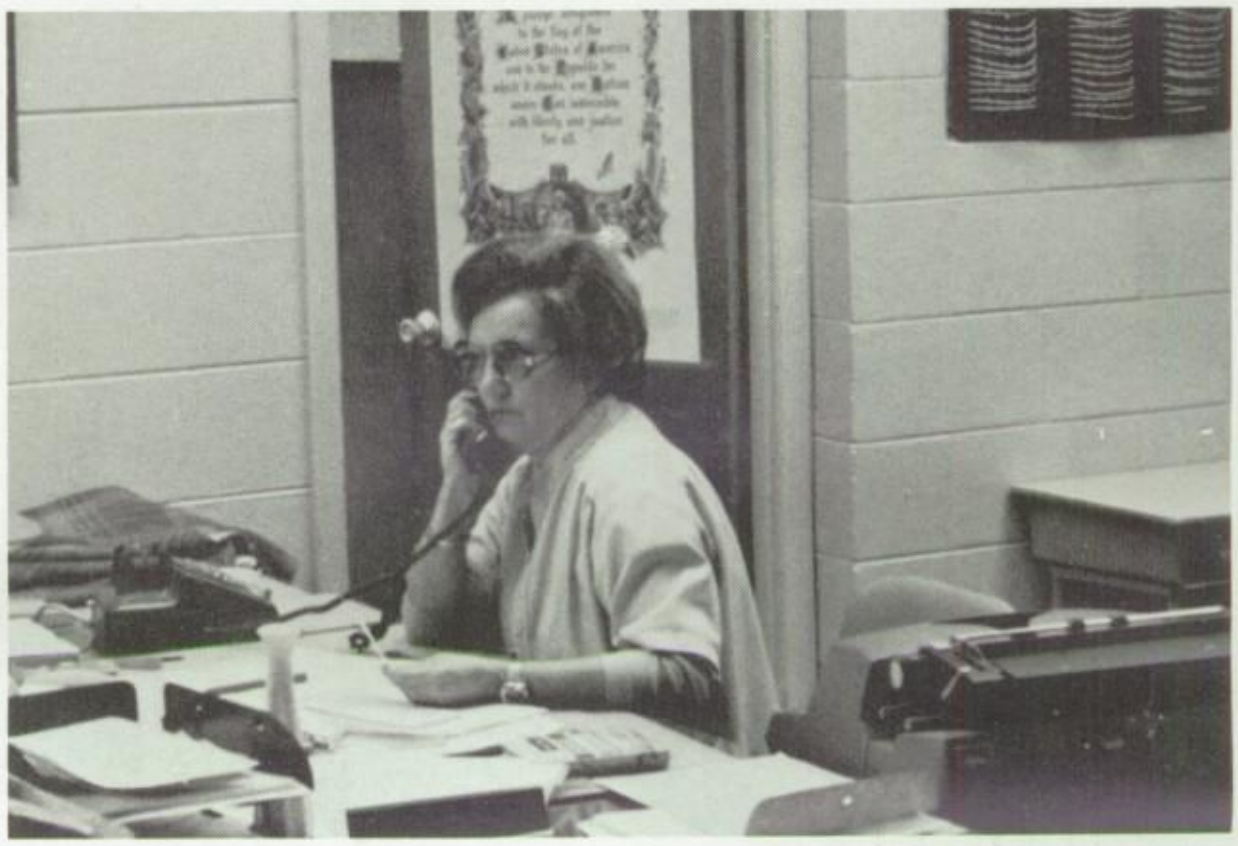


*Mrs. Bennett*
*Mrs. Blankenship*

*Mrs. Kelly*
*Mrs. Kirkland*
*Mrs. Patrizi*

# Office Staff

*This year's office staff consists of some new faces and some not so new faces. New to our office staff at Satellite are Mrs. Sheagren and Mrs. Bennett. Mrs. Sheagren is in charge of the student scheduling and Mrs. Bennett is in charge of attendance. The veterans of our office staff are Mrs. Blankenship, Mrs. Kelly and Mrs. Patrizi. They work directly in connection with our administration. Mrs. Blankenship is our bookkeeper, while Mrs. Kelly and Mrs. Patrizi are our secretaries. We thank you for organizing the work to be done at Satellite. We know it's quite a job.*



Missy, I xeroxed a copy of Rhodie's article. I have enjoyed this year with you "visiting" in here. I love a great "visiting" in class. Have a great summer & see you in Aug.! Nancy Breaks

*Pg. 232: UPPER: Taking one of the many phone calls that come into our school, Mrs. Kelly greets a parent. LOWER LEFT: Mrs. Sheagren, director of student scheduling, takes a breather from her heavy work load. LOWER RIGHT: Mrs. Patrizi contemplates how nice it would be if Mr. Patrizi took her out tonight. Pg. 233: UPPER: Mrs. Barton, registrar of Satellite High, notarizes a document for a familiar student. MIDDLE LEFT: Looking to the bookkeeping affairs for the year ahead, Mrs. Blankenship offers a little advice. MIDDLE RIGHT: To be sure that no student is skipping school, Mrs. Bennett looks up the phone number of an absent student. LOWER: Working diligently, Mrs. Sneddon works to get out the daily attendance report.*

# Library Staff

The Library Staff is always there to help the students who need assistance in finding a certain resource. The Research Center Staff is run by Mr. James Reeder. He has a vast knowledge of the Research Center workings and is extremely helpful to all students who request it. Mr. Reeder and the rest of the staff: Mrs. Golden, Mrs. Curtin, Mrs. Kaiser, Mrs. Dorsey, Mrs. Dugan, Mrs. Erwin and A.V. Director Mr. Hawk are one of the most kind and considerate staffs we have in affiliation with our school.

*Pg. 242: UPPER LEFT: Working towards a deadline this library staffer uses her time wisely. RIGHT: Mr. Bernard Hawk, head of our Audio-Visual department seems delighted at the reaction of a student. LOWER: Always willing to help a person in need, Mr. James Reeder, our director of the Research Center, shows a student how to use his encyclopedia. Pg. 243: UPPER: Contemplating the afternoon to come, Mrs. Kiser hurries to finish her work. MIDDLE LEFT: Mrs. Golden, a member of our library staff, answers a question posed by an inquiring student. MIDDLE RIGHT: Stopping work on the vertical file, Mrs. Dugan poses for our camera. LOWER: Working to keep up on the records, Mrs. Dorsey types up the overdue book list.*

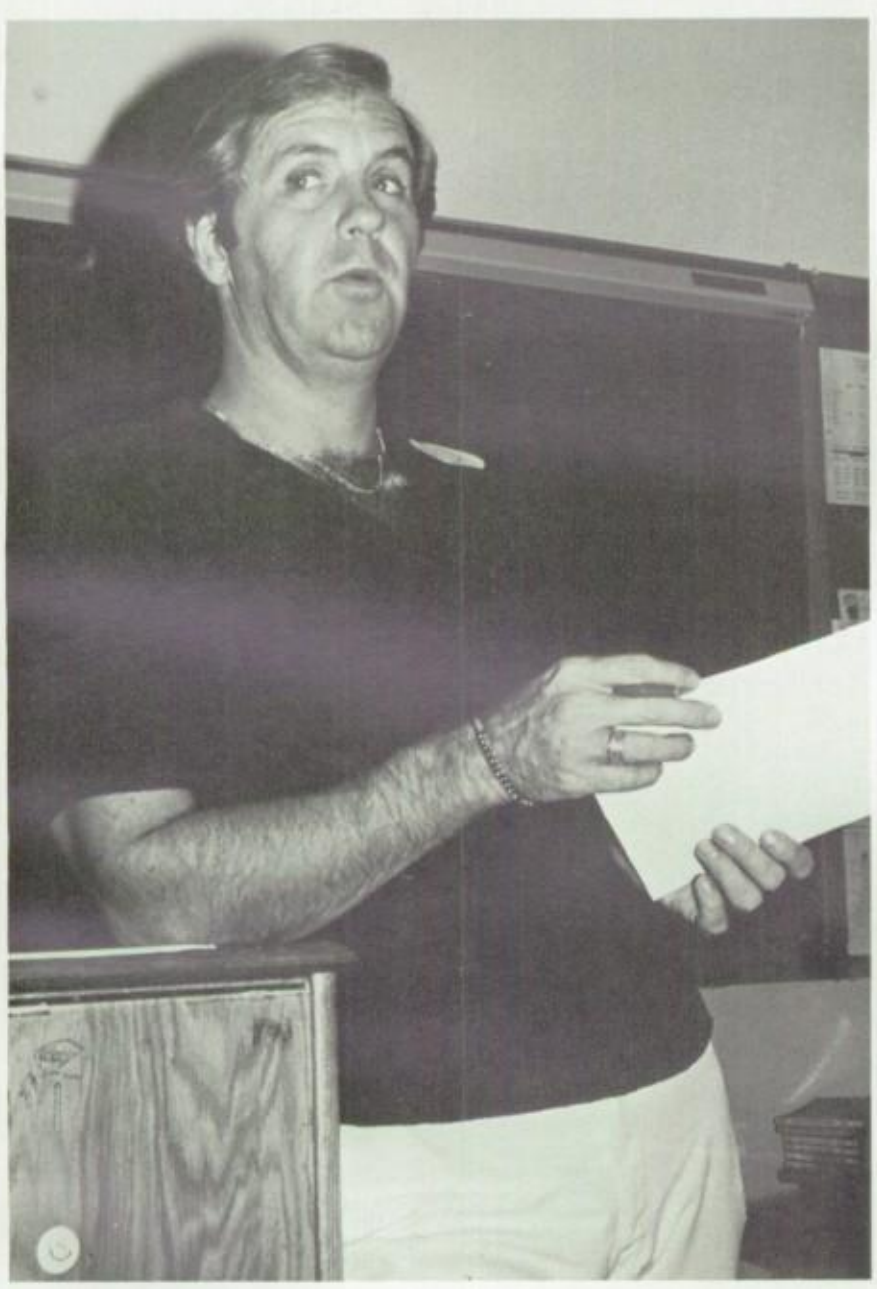
# NIGHT SCHOOL

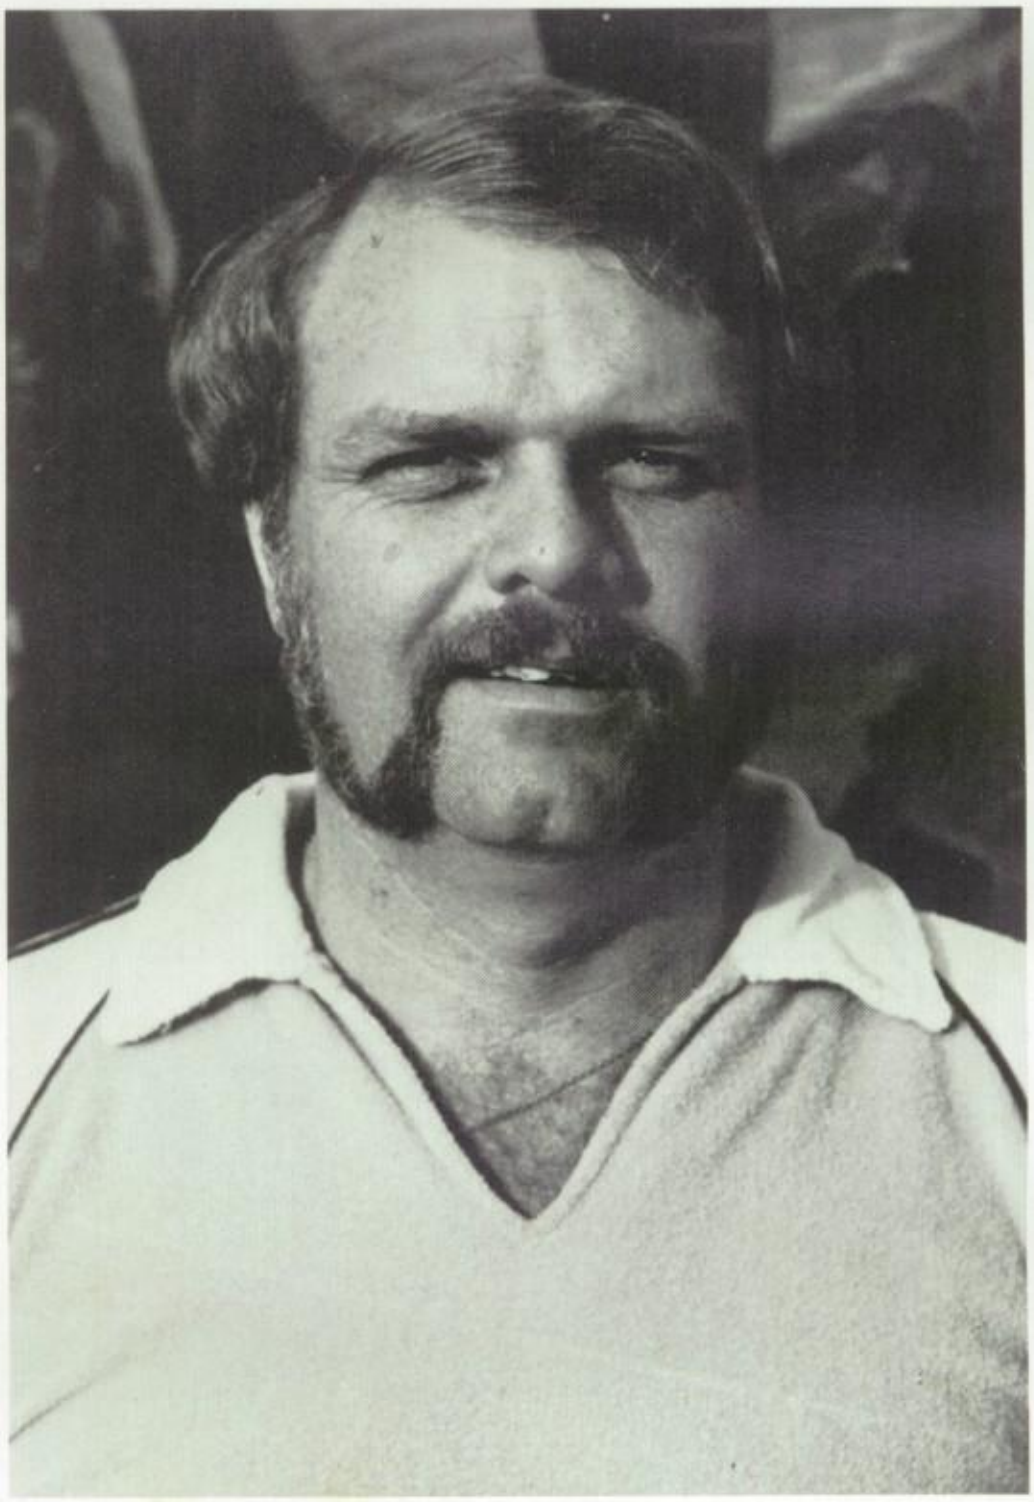
*UPPER: Pausing for a moment, Mrs. Vann prepares to depart for an evening snack.*

One of the finest in Brevard county, the Satellite High Adult-Community Education Program, strives for perfection. Its courses range from a wide variety of Home Economics, Business, Mathematics, Social and Natural Sciences and Language. Many of the courses taught are all together for the older generation who are striving to learn. Others are made up for women who want to learn more about cars, such as "Powderpuff Mechanics;" and yet others are made up for foreigners who want to learn English as their second language, such as "English as a Second Language." Mrs. Patricia Vann, vice-principal in charge of the Satellite High Adult-Community Center took over from Dr. Hartzell Jennings two years ago and has given this outstanding program a complete run-through and also has done a terrific job thus far. Many of the students at Satellite High appreciate Mrs. Vann's good work and extend their thanks to her.

*UPPER LEFT: Preparing her lesson plan, Mrs. Beckett wastes not one second of her time. UPPER RIGHT: Mrs. Fields demonstrates to the class the proper way to "spin" a bowl. LOWER: With his students watching attentively, Mr. Thaxton demonstrates his technique in developing a photograph.*



# FAREWELL



## Mr. Talmadge Callahan

*At the end of the first semester this school year, Mr. Talmadge Callahan retired to accept a position at Harris Corporation. During his stay at Satellite High School, Mr. Callahan taught Chemistry I and Chemistry II. His expertise at his field has rubbed off on many of his students here at Satellite High School. As the advisor of the Science Research Club, his guidance and teaching abilities have brought many a student to the upper ranks of scientific research and experimentation. His concern for the students and their learning atmosphere will be remembered for a long while. Thank you, Mr. Callahan.*

# Mrs. Dorothy Olsson

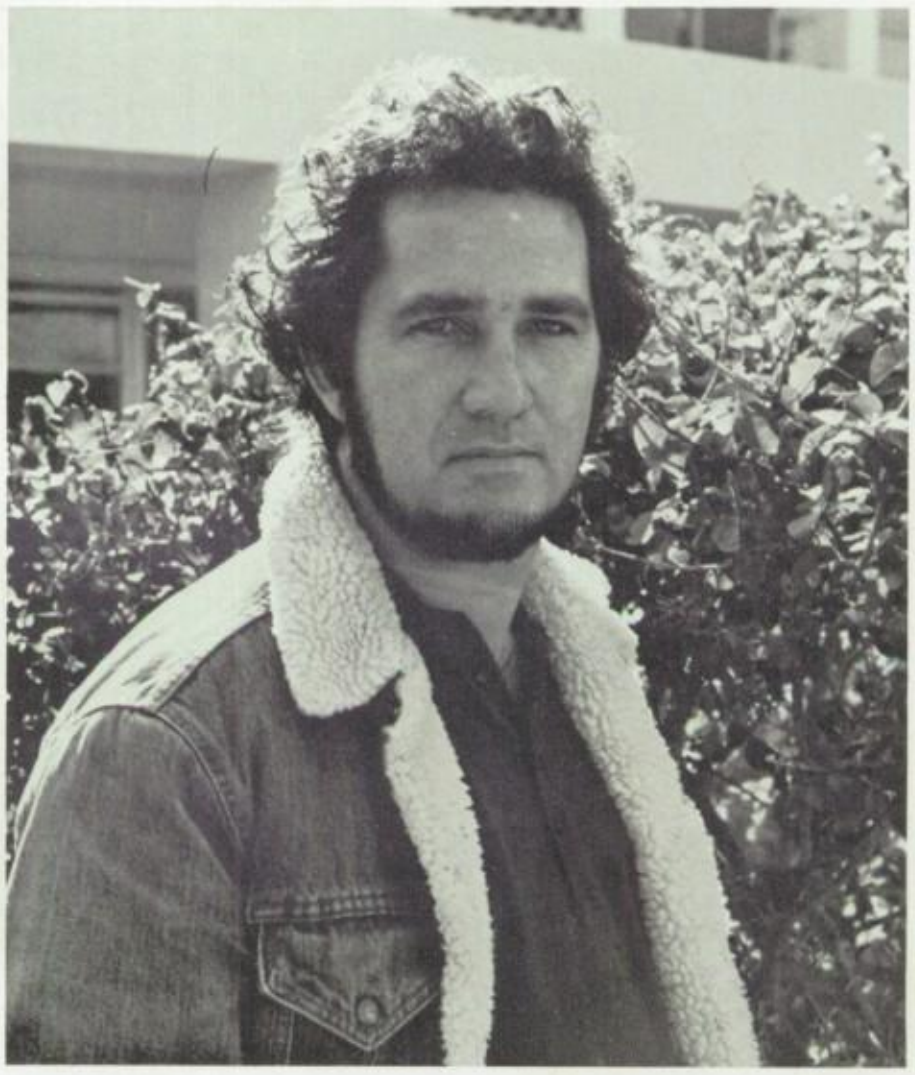
*After 18½ years of teaching at Satellite High School, Mrs. Dorothy Olsson retired at the end of the first semester this year. Mrs. Olsson was first a teacher at the old airport school and was a teacher the first year Satellite opened. Mrs. Olsson was the founder of the Satellite High National Honor Society and during her stay, she taught World Literature and Contemporary Literature. We would like to thank her for her guidance and teaching abilities. She has set many precedents for this school and is one of its many foundations. Thanks again.*

# FAREWELL

# Red Cross Volunteers

*Taking care of the many bumps and bruises that occur here at Satellite High are the Red Cross Volunteers. These dedicated women receive no pay for the many hours donated to our school. They do a fine job helping our ailing students and deserve many thanks.*

# CUSTODIAL STAFF



*The custodians at Satellite are behind the scenes but very much a part of the atmosphere at our school. They come to work at 2:00 each day to clean up certain messes made. Mr. George Klise, head custodian at Satellite, was voted a VIP for the Homecoming parade this year to express our thanks. We would like to extend these thanks to all who work in our custodial staff. Without you, we would be nothing. Thank you.*

Missy,

Gosh, it's so <u>good</u> to see you again, I love ya! I miss you lots & lots! You are still a <u>great</u> friend and I think of you a lot when I'm in Texas. I will never ever forget our friendship & the fun we've had no matter how far away that I go. Well, keep in touch and you'd better write or call sometime. Have a nice summer and I'll be back soon!

Love ya lots,
Kathy

Missy, really bummed you didn't write me
while you were in Phoenix. Well, anyway
glad you had a great summer
other guys, & hope you get some time off
& hope you go to Texas soon. Call.

missy,
Can you believe that the school year is over already? Well anyways this year was great, but next year will be a whole lot better. You'll be a whole lot better. You're a really sweet and cute girl and I hope we can become better friends next year. I hope you have a super summer!!
Maybe I'll see you during the summer sometime and if I don't have a great one anyways. Good luck in everything you do.

Edward Lewis

Here it is, The 1981 Scorpio, a yearbook that I personally am very proud of. A yearbook that I hope you will enjoy flipping through, not only these last couple of days, but in fifty years or so when you are cleaning out your attic. A yearbook is not a simple thing to put together, it involves many, many hours of hard work and sweat. (Yes, and even sometimes tears.) This year we are trying something new, it is a sixteen page supplement. It will include such things as Prom, Conventions, Spring Sports, and other activities that ordinarily don't make the regular yearbook. I, of course, didn't do this by myself, I had a tremendous staff this year, that for the most part all worked hard during the year to try to make this "THE BEST EDITION OF SCORPIO EVER PUBLISHED."

They are:

EDITOR: Jeff Keen

Organizations: Alyce Tubell
Elenor Tubell
Kim Aaron
Holly Wesche

Activities: Teri Mansur
Julie Brantley
Chris DeAngelis
Shannon Lowe

Sports: Bill Horak
Aurillea Dillion

Underclass: Cathy Grish
Julie Ament
Tracey King
Dawn Queen

Senior: Pat Maier
Sheri Fenell
Shawn Gellespi
Dave Waterman

Ads/Index: Terry Ferguson
Joel Van Vollenhoven

Faculty: George McGowan
Linda Lewis

Photographers: Ken Wright
Paul Westcott
Chris Morgan
Josh Litwin

We are extremely grateful to Mr. Gary Mauck for all of his guidance and advisory talents, without which this 19th Edition of Scorpio could not have been possible.

For all of you Seniors I hope this yearbook will remind you of all the good times you had here at Satellite, and the rest of the student body I hope you have many more good times and make the most of years at Satellite.

GOOD LUCK AND BEST WISHES TO ALL

Well missy, it's almost impossible for me to tell you how I feel about you. There's no way I can put it into words, but I'm gonna do my best to let you know. Lets start at the beginning when we got to meet each other. To tell you the truth, I don't recall how we come to know each other, but I'm sure thank god that we did. I do remeber one thing about our meeting, I fell head over tires (Big goofballs) in love with you. And til this day, I love you more than I did yesterday. The feeling I have for you get stronger every day And fills my body with love for you. When people ask me who you are and I tell them you my sister, they look at me like I'm crazy or something. But I tell them oh time. You don't know what a honor it is for me to say Missy Smith is my little sister. If I ever get married to some girl I love half as much as you, I'm gonna know I really love her.

Ill tell you one thing that [redacted] Gods honest truth, If she doesn't look, act, and is as sweet and beautiful as you, there won't be any reason for us even talking about getting married. But that's gonna be the hardest thing in the world to do. There's only one Missy Smith. And there's only one Missy Smith that I know and love.

It's so hard being so far away from you. Its like you've been a part of me and my family ever since we were a family. This part of you you've been the main part in me, during school, especially during football, or just when we're out together

spent together will never be forgotten. She's the biggest part of my life right now. I know I have it really feels to have someone super special in your life. All the good times & bad times I've been through, all the good times & bad times, no matter what the problem was. No one has helped me like you have. You're the only one that understands things to happen to me like you have. You're the only one that I really love & care about (gone) in so many ways. You're the only one that I've ever felt about here. You're the only one that I've ever felt about here. You're the only one that I've ever felt about here
